

Product features

Intelligent link between instalight Control and LEDTRIX fieldbus Enables the connection of up to 160 LEDTRIX actuators to instalight Control Replay unit for controlling LEDTRIX actuators - no PC is required for control after commissioning Control either independently or in a powerful network with other masters and instalight control components Full instalight Control functionality: Automatic structure resolution and addressing of the connected actuators Convenient commissioning and light scene creation via the instalight Control SW user interface Operation via extensive instalight control sensors Gateway for real-time display of light scenes in online operation with PC and instalight Control SW (»Live« mode)

Technical specifications

Control	Power consumption	Protection class
LEDTRIX	approx 4W	IP20

Ambient temperature	+5 ... + 45 ° C
Storage & transport temperature	-25 ... + 70 ° C
Nominal voltage	DC 48 V (via external power supply unit or PoE according to IEEE 802.3af)

Housing material	plastic
Protection class	III
Protection class	IP20

Dimensions

Width (B)	Height (H)	Length (L)
144 mm	61 mm	90 mm

50913000
